

ABOUT US

T.direct is the simplest and most convenient platform for advertisers who prefer to buy only quality traffic. It delivers over 2 billion views and over 3 million conversions daily. The network operates on a pay-per-click/per-impression model and has over 8,500 advertisers as of the end of 2022.

Features:

1. Simple and flexible targeting settings. Build your audience using geo, operating systems, browsers, age characteristics and other parameters.
2. Quick campaign creation. Usually 2-3 minutes are enough for the ad to take shape and be ready to attract real customers.
3. Responsive, competent support, around the clock answering questions. Instant replenishment of the balance.
4. Formats: Native advertising, mobile push notifications.
5. Detailed statistics for analytics of advertising campaigns, where data is available on dates, clicks and views, costs, as well as CTR, CPM, CPC.
6. Fast campaign moderation.
